

## **Temporary Office Hours**

Due to COVID-19 we have temporarily adapted our hours to best serve people in the community.

We will temporarily offer hours for in-office visits as well as phone calls to accommodate both in and out of the office.

We are also reducing the days the clinic will be open to allow us to vaccinate people through the vaccination clinics, as vaccines have not been available through physician's offices.

If you are requiring a COVID-19 vaccine then please register through the Durham website at:

[www.durhamvaccinebooking.ca](http://www.durhamvaccinebooking.ca)

## **Current Office Hours**

|            |                |         |
